## June 2019

Welcome to the June 2019 edition of the Target.

We extend a very warm welcome to our new lead bartender and events coordinator - Leann Hobson! Leann has been very busy getting the bar running and getting to know those of you that have dropped by for our afternoon happy hours (the bar is currently open noon to 6PM).

Leann is also actively reaching out to people with events on the Club calendar. If you have made arrangements to have an event at the

club, but you haven't spoken with her, please call the club ASAP or send a note to us at:

[Target@HHRodandGun.com](mailto:Target@HHRodandGun.com).

Beginning June 12<sup>th</sup>, we expect to extend our operating hours and to resume restaurant operations. I know many of you have been anxiously awaiting the re-opening. We're excited to say we're almost there! **We plan to have limited seating through June.** Please call and reserve when you know you will be visiting us for dinner.

Our music will also be resuming this month. We'll have a club favorite --

Steve Ellis -- on the 21<sup>st</sup> of June! We hope you'll come out and join us.

The ranges have events every Saturday morning in June and we have our next Range Safety meeting on the 4<sup>th</sup> at 7PM.

Thank you all for your patience while we transitioned. We all appreciate your kind words of support and encouragement.

**See You At The Club!**

Spotlight

This month the club recognizes Jerry Johnson and his merry band of fish wranglers. These volunteers – once again – held a spectacular Kid’s Fishing Derby! This year the turnout was a bit smaller than usual, but the ones that were there had a fantastic time and caught some excellent memories and trophies. We also thank Sebo’s for their donations and ongoing support and we thank the Murphy’s for allowing us to use their pond. Outstanding!

### **Leann Hobson – Lead Bartender:**

"Hello Holmes Harbor Rod and Gun Club" I recently moved back to the island with my 9 year old rescue dog Rain. My name is Leann Hobson some may remember me from the opening of Francisco's back in the day, I also helped with events throughout the south end of the island. I bring with me 40 years in the restaurant industry and like to think I can throw a good party. I know some maybe concerned with the past closure, please know we are working very hard to bring the club back to full strength and can't do it without you. I am a country girl that moved to the big city and have grown up with a good sense of value and community. I will be handling the front of the house and if you are looking to have a special event, I am happy to help with the planning or just make the process smoother. Please stop by and say "HI!"

### **Joe Cvar – Lead Cook:**

"Hello, my name is Joe Cvar. I am married with two grown daughters. My family and I have lived on Whidbey Island for 21 years now. We enjoy the quieter life that living here has offered.

I started cooking at home for my family at the young age of 10, when I first experienced my family enjoying a meal I made for them it made me feel really proud. I got my first kitchen job when I was 16 and I loved it. Since that time, I have worked in many different kitchens with many talented people. I have worked all of the positions from Dishwasher to Executive Chef. I look forward to building a team in your kitchen that will offer you a desirable dining experience!"
