May 2020

The Board wishes you and your loved ones on the island, across the country, and around the world the very best as we continue to cope with this unprecedented crisis.

As you know, Governor Inslee recently announced a gradual easing on citizens' access to outdoor sports, including fishing and hunting, effective Tuesday, May 5. (See www.Governor.WA.gov for up-to-date information.) When this newsletter was published, none of these

amended rules have an impact on current operations or activities at the Club. We will certainly inform the membership when new announcements are made that enable the Club to gradually resume popular activities such as shooting events, and providing in-house dining and bar service.

In the meantime, we'll continue to offer take-out-only meal service for members and the entire community. Our staff and volunteers have been busy filling orders, providing income for staff as well as

revenue to help pay the club's ongoing expenses.

If you haven't yet taken advantage of this service, we encourage you to, and to tell your friends!

Once again, there's not a lot of news nor announcements to report.

Be sure to check the club's Facebook page (*Holmes Harbor Rod and Gun Club*) and our website for other Club news.

Until next month, farewell and be safe!

Spotlight

Thanks very much to all the club members (as well as local residents) who have taken advantage of the Club's take-out food and beverage service!

We appreciate, more than ever, the superlative job our volunteer RSOs (Range Safety Officers) do for us every day. With our group Range Orientation classes postponed, our RSOs, including our Chief RSO Tom McCaffrey, have been doing absolute yeoman's duty giving one-on-one orientations to those new shooter-members desiring to use the range and to those longer-term members who have not renewed their range orientation.

New Members

Our Newest Members

Cyril Delgado
April Howard

Hotte Kiessling
Arlen Pedersen

We extend a warm welcome to our newest members and their families!

Auxiliary

With the Club currently closed to new events, the Auxiliary has no news to report. We'll be in touch with current and future Auxiliary members (all will be welcome!) via the Target or a special email update with news of upcoming plans.

We encourage you to check on neighbors to make sure everyone is all right in this world of social distancing. We will get through this! Wear your mask and wash your hands!

Announcements

Sportsmen News

We eagerly await the date we can resume our regular shooting programs with our Sunday/Thursday shotgun sessions and our rifle and pistol competitions.

But at this time we remain in suspension. Our ranges remain open for individual member use. Please avoid group use and continue social distancing and safe practices with the virus as well as with your firearms.

Range access:

- Yellow sticker = Good to Go.
- Blue sticker = take class later this year.
- No sticker = you are not authorized to use the ranges.

REMEMBER...YOU MUST BE A CARD CARRYING MEMBER WITH A CURRENT RANGE STICKER ON YOUR CARD IN ORDER TO USE OUR RANGES.

You can schedule an orientation by contacting us at range@hhrodandgun.com.

Our ranges continue to be open for the benefit of our members. Please continue to follow all safety precautions for a safe and virus-free experience.
