Congratulations for a Successful Membership Drive!

Our annual membership drive was held on July 18 and it was a resounding success! Over 100 new members joined! So many, in fact, that I had to change the format of this issue of the newsletter to accommodate all of their

names. Kudos to the Membership Chairman, Clint Hatton and his army of volunteers who worked tirelessly to make this drive so successful!

Following Phase 2 guidelines, we will remain outside utilizing the trap-side window to squad. Tape lines will indicate the necessary 6 foot distance from the window for those waiting to sign up.

The restroom will remain available via the parking lot door. As many of our shooting members (including yours truly) are of an age that puts them in harm's way, virus-wise, please follow the recommended 6-foot social distancing guidelines while on the ranges. Masks are recommended for those not actively shooting.
