A Message From Our Range Master

In last month's Target our Range Master, Michael McInerney, wrote asking for volunteer help from our shooting members. He got ZERO replies. With the exception of Donna, who is paid to work the trap shack, all of our Range Safety Officers, our Chief RSO, our Range Master, and those members who set up, take down and maintain our ranges and equipment are volunteers. We simply can't operate without volunteer efforts and we are running short. We need your help...please contact the club and see what you can do for your club.

Please contact me as indicated below or leave your name and contact info with our manager Pamela, Donna in the Trap Shack, or any of our on-duty RSOs.

February is Valentine's Day.

Our chef is cooking up some Valentine's Day Specials for take out, celebrating on Friday the 12th, and Saturday the 13th from 4 - 6 p.m.

The kitchen will be closed on Saturday, February 6th and Sunday, February 7th.

The bar will be open and we will have BBQ Burgers out back on Sunday, February 7th for the shooters. (Weather permitting)

As a reminder, please check your email for our weekly menus featuring our chef's fabulous daily specials as well as our all time favorites.

Happy Valentine's Day!

Range Certification classes for 2021

We continue where we left off in 2020 offering two classes per week, at 2 p.m. on Thursdays and Saturdays.

When you receive your 2021 membership card check it for a "Range Certified" sticker.

If your sticker is yellow or blue, use the ranges as usual but note that the blue sticker means you will need to attend a re-certification class sometime in 2021.

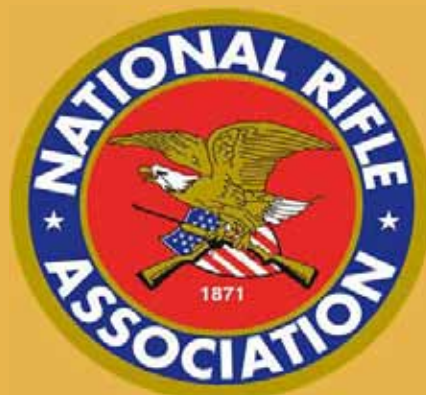

If your card arrives without a sticker you need to attend a class before you can use the ranges (not required for only Thursday and Sunday shotgun sports).

To sign-up for a class go to:
hhrgc.setmore.com

If you have a special need send an email to range@hhrodandgun.com
