INITIATIVE 594: ... To Our Members: As the November election approaches we encourage you to please read the text of I-594 very carefully as it may sound good at the outset but is a very restrictive measure that seriously limits transfers of guns between private parties, including family members. It is a measure full of flaws and overreach. We encourage a NO vote on 594. The other firearms initiative, I-591, is a practical and protective measure that requires Washington lawmakers pass no legislation that is more restrictive than the federal laws. We encourage your yes vote on I-591. FYI: I-591 is supported by WACOPS the Washington Council of Police and Sheriffs, representing over 4500 active duty officers & deputies among other LE organizations, Read the text of measures and help defeat I-594.

CALLING ALL VOLUNTEERS: ...We have many volunteer opportunities at the club. If you are interested in helping keep your club a success, please email to Volunteer@HHRodandGun, you will be contacted.
