Autumn is knocking at the door

Welcome to the September 2017 edition of The Target.

Thank you all very much for all the emails, calls, and in person comments about the new newsletter format. It's nice to know our members appreciate this publication and the work that goes into it.

If you have ideas or pictures for the newsletter, please don't hesitate to reach out to us.

We don't have an official staff photographer or historian so until that day comes we rely on you -- our members -- to capture the latest Club moments and remembrances of our past to share with our community. Please help us include them in our monthly newsletter.

Now that autumn is knocking on the door it's the perfect time to get out and spend some time (before the rain returns) with

your friends, neighbors, and family at the club. This weekend -- Labor Day Weekend -- will be very busy around the property. We hope you'll join us for some or all of the happenings!

We look forward to hearing from you.

Spotlight+

The club extends a giant thank you to the many volunteers that made the Bob Blasko Celebration of Life a day to remember. We couldn't have done it without you: Larry Wright, Ed Noble, Ron and Lori Brown, Steve and Kathy Webb, Pat Smith, Bill Thorsen, Clint Hatton, the Langley Fire Dept., and the whole HHRG staff. This team went above and beyond to make this day happen. Thank you all!

Dockstock 2017

The 2017 fundraiser at Langley Dockstock was a club sponsored food tent. Our amazing volunteers, once again, stepped up and represented the club to our community.

The tent served soft drinks, bottled water, pulled pork sandwiches, salads, NW seafood chowder, and hot dogs.

It wasn't without some challenges - like a lack of power and some bothersome weather -- but Larry Wright, Phil Simons,

June Shellene, Jess Manca, Scott Shoudy, Donny Gochanour, Clint and Leigh Hatton, and Steve and Kathy Webb stuck with the event and supported it to the end. Also, we extend a special thanks to Ursula Shoudy, who went WAY above and beyond her role to make this event a success.

Thanks to all of you for your hard work and dedication of time to this event.

Safety First, Second, and Third

Members are required to take our Range Orientation & Safety Class before using the shooting facilities. Upon successful completion of the training a member will receive a colored sticker for their membership card. Membership cards (with attached sticker) are to be visibly worn while using the club's ranges.

The range safety classes are held the first Tuesday of the month at 7PM. Additional classes are scheduled as needed. All classes are open to the public and we encourage you to invite your family and friends.

The club offers a variety of different shooting ranges for our members and their guests.

For shotgun enthusiasts, there are four shotgun ranges with voice activated Pat-Trap throwing machines that can be set up for several varieties of trap shooting, skeet shooting.

Safety is always our top priority on the ranges!
