## Construction Is Underway

Welcome to the November 2017 edition of The Target.

At the Holmes Harbor Rod and Gun Club we are always endeavoring to improve our club. If you haven't noticed, our new generator has been delivered! There is a major project underway to set it up, get it running, and

wire it into the electrical systems of our facilities.

Please use care when moving about the area between the clubhouse and the shooter shack during the construction.

Deb - our volunteer coordinator -- has two new opportunities to help at the club. She is looking for

people to help decorate for the holidays - including our club tree, and she has a project to paint some of the restrooms in the clubhouse.

To volunteer, call 360-929-2347 or 360-221-8494.

See You At The Club!

Spotlight<sup>+</sup>

Have you noticed the new paving at the club? We have added lots of new paved surface back by the rifle range. We have Island Asphalt to thank for working with us on this project. We appreciate all the great help and support.

Donation Match

Double Your Donation! For a limited time, Boeing will match donations to our not-for-profit safety and education programs.

Many people make end of year donations and right now those donations mean twice as much to our club. All you need to do is make a donation to the club's not for

profit education and safety organization.

Every gift we receive is significant in the education of local hunters and our community. If you have questions, please contact us at:

### NRA Memberships -

HHR&G is an authorized NRA  
Recruiter - You may join the  
NRA or renew your existing  
NRA membership via our  
website.

There have been some cases  
of people damaging the  
ranges. Everyone should  
endeavor to leave the ranges  
in better shape than they  
found them.

Please remember to place  
targets such that the frames  
and stands are not damaged  
during shooting.

Clear away used targets and  
remove any spent shell  
casings. There are trash  
dumpsters and "brass  
buckets" for your  
convenience.

Members are required to  
take our Range Orientation  
& Safety Class before using  
the shooting facilities.

Membership cards with  
attached range stickers are to  
be visibly worn while using  
the club's ranges.

The range safety classes are

held the first Tuesday of the  
month at 7PM. Additional  
classes are scheduled as  
needed. All classes are open  
to the public and we  
encourage you to invite your  
family and friends.
