The 2019 President – Dave Shupe!

February is the shortest month of the year. It's a mere 28 days this year (2019 is not a leap year). However, February is also the last thing before the first flutterings of spring. This can sometimes make February seem like one of the longest months of the year.

The club has some great fun lined up to help make the littlest month fly by.

Valentine's Day is a great way to warm things up. The club

will host a special dinner.

We also have a new club president -- congratulations Dave Shupe! Dave will be hosting the annual President's Ball on the 16th (the Saturday before President's Day). The President's Ball and Valentine's Day are both fantastic events and we hope you'll join us.

Last month we kicked off our new breakfast service. Based on the feedback and attendance it was clearly a huge success. We're happy to

offer it once again this month on the 24th.

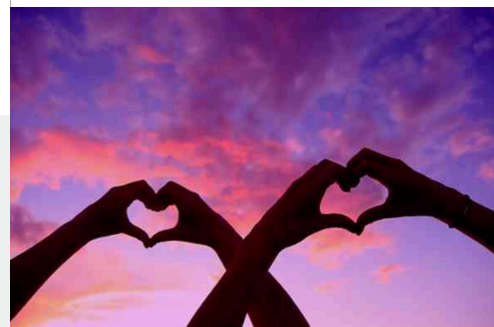

We also have 3 music events this month. Steve Ellis will be joining us for Prime Rib night. Deja Blooze returns and will be with us for the President's Ball. Also, line dancing returns this month on the 22nd.

See You At The Club!

Spotlight +

This month the club recognizes ALL of our amazing 2018 volunteers. Each month we call out a few folks that contribute to the club in all kinds of different ways, but in 2018 we had more than 100 different volunteers. The club depends on volunteers to keep things going and growing. You're contributions are very much appreciated! Thank you all VERY MUCH!
