Spotlight

A very special shout-out this month goes to three of the club's most dedicated members: Pamela Kratzke, Ed Noble and Tom McCaffrey, who have gone beyond the call of duty to keep our club going in these unprecedented times. Board members Pamela and Ed work tirelessly to keep food and drink available during the shuttering and to prepare the club for reopening.

Since the Covid crisis prevents holding our monthly required range orientation classes in the Trap Shacks, Chief Range Safety Officer Tom McCaffrey has given over 40 individual range orientations to keep shooting members up to date, and train our new members in safe range use.

The efforts of just these three people represent hundreds of volunteer hours in June alone. Please let them know how much they are appreciated!
