NOTES FROM THE ACTING EDITOR

As many of you may have noticed, we are making some much needed repairs to the club. With the help of several volunteers from the membership, we will be finished soon. More to follow in next month's newsletter. In the meantime, thank you for your patience!

Last month, we had to turn several people away on prime rib night due to being completely full. It is imperative that you make reservations for prime rib night as well as other nights so we can plan accordingly and make sure we have the proper staff to meet your needs and give you an excellent dining experience!

We are also having a Novice Shotgun Shoot on Sunday, September 20th at 11:00 a.m. This is a GREAT way to try your hand at shooting trap and learning the basics as well as meeting your fellow shotgun shooters. Who knows? You may discover that you are the next club champion!

Afterwards, may I suggest that you stay for lunch and try one of the many delicious meals prepared for you by our wonderful chef, Sheila.

Don't forget: the menu changes every week so you will never get bored supporting your club!

As usual, summer flew by but we are looking forward to autumn: the cooler weather and all the beauty that comes with it.

—Leigh Hatton (Acting Editor)
