MESSAGE FROM THE PRESIDENT

Hello All,

It is time for our Annual Elections. There are going to be 3 positions open on our Board of Directors.

Proprietary Members who are interested should submit their intent to run for a position to: Manager@hhrodandgun.com or in person by November 20, 2020.

Any members who are interested in volunteering some time to help out moving clay targets, setting up our Thursday and Sunday shotgun shoots or updating the reader board at the entrance to our club on a regular basis would be most welcomed. It is a great way to meet people and get involved with your club.

Please feel free to contact me at the club if you are interested.

Ed Noble

Range Update

Since July we've been busy holding Range Certification classes for many new members. If you're a member that has been waiting to re-new your Certification we're ready to take care of you. Just [click HERE](#) for the next step, select the link to sign-in to a class.

If you didn't already know, maintenance and oversight of our ranges are all volunteer activities - and the number of volunteers is surprisingly small. If you've ever been shooting and wished the target boards were in better shape, thought someone should make a repair or improvement, or know our range safety officers are stretched thin, think about volunteering!

To talk about volunteer opportunities on the ranges, send an email with your phone number to: Range@hhrodandgun.com

Thanks!

Tom McCaffrey and Michael McInerney
