HAPPY NEW YEAR!

Good-bye 2020, and Hello 2021!

The year is over. Even though we went through some very difficult and challenging times, we got through it together.

We want to THANK ALL of YOU for your continuous support!

We look forward to a better 2021.

As a reminder, please check your email for our weekly menus.

In addition to our regular club favorites, every week our chef Shiela prepares unique recipes that are exceptionally delicious and comparable to any gourmet restaurant.

In light of the current state shut down we are still doing TAKE OUT only. Please call in advance to place your order.

Thank you all for your continued support!

A Message From Our Range Master

Do you need a break now and then from the stress of social distancing and hunkering down? Are you getting bored rearranging furniture and watching Netflix?

Are you ready to resolve to do something about it? Looking for a way you can give to our club safely and enjoyably?

Boy, have I got a deal for you.

Our club is very fortunate to have a dedicated cadre of Range Safety Officers (RSOs) to maintain our ranges, provide service to our members and monitor safe range procedures, but there are only so many RSOs and many hours when our ranges are open, but no RSOs are available. We need your help. If you can provide even an hour a week we can use you. While a 3 hour shift 1 day a week is normal, we can use your help for even a short time slot.

Can't commit to a regular schedule? Please consider becoming a Range Angel and adopting a range or shooting bay. Angels make certain their range or bay is tidy and ready for use with stands and target backers intact. This might also include regular "drive bys" to check on range/bay status.

So even if you can give a few occasional minutes we can use you.

Please contact me as indicated below or leave your name and contact info with our manager Pamela, Donna in the Trap Shack, or any of our on-duty RSOs.

Thank You for supporting our club.

A VERY Happy New Year to you and yours.
