The Board of Holmes Harbor Rod & Gun Club would like to take the opportunity to thank all who participated in, or donated too this year's Easter Egg Hunt, without you this event would not have been the same. Special shoutout to Grill Master Ron Brown who grilled Hot Dogs for several hours and his helpers Jon and Dee.

Special thank you to the Youth Shooting Program that ran the Petting Zoo and hid all 9,000 eggs in record time! I think it was less than 1 hour.

Thanks Again,  
Your 2023 Board

## Upcoming Shotgun Tournaments:

We are excited about the shotgun shoots we have planned for you in 2023. We'll be bringing back all your old favorites and we'll be introducing something new this year. If you're new to competitive shotgun we hope you'll consider joining us. Many of our veteran shooters are ready to work with you to prepare for a shoot – whether you choose to or not. We are also always looking for volunteers to help with the shoots. If you are interested in sponsoring one of our events, or even partially sponsoring a shoot, please let us know. We'd be happy to explain how that works and would really appreciate your support. See you on the range!

## **It's time for our spring membership drive!**

This year the drive will be held on May 13th and we are combining it with our new archery facility grand opening! We'll have lots of activities for members and applicants throughout the day. The fun will start at noon on the archery range where we'll have some of our archers on hand for those that want to check it out. Also at noon, we'll have some metallic plate setup in the action bays. This is a great way to see what that event is all about. At 1PM we'll have a few folks demonstrate and discuss our shotgun games. We'll also have lawn games, grilled dogs & burgers, and a wonderful dinner buffet. We'll finish the day off with live music and dancing. This is a great time to bring out folks that you think would enjoy being a part of our club. See you there!
