Agreement and Signature

It is our desire to maintain the highest possible safety standards on our ranges and in our community. If you plan on using the ranges for shooting, other than Club organized events, you will need to attend a Range Certification Class. Upon successful completion, you will be given a "Range Certified" sticker to attach to your membership card. You are required to wear your card with the sticker when using the ranges for other than organized Club events.

HHRG Club endeavors to ensure a pleasant, comfortable, welcoming and safe atmosphere for all its members. We have established a Club "Code of Conduct" (attached) to help maintain a safe, courteous and respectful environment.

I have read the Code of Conduct of the Holmes Harbor Rod and Gun Club and agree to follow it and the Range Rules when using Club facilities.
