## Spotlight

A Very big THANK YOU goes out to one of our own members Chris Schoene!!! When our chef Trap fell and broke his hip in August, I reached out to Chris who has helped us before and he stepped right up into the kitchen. These last few months we most likely would have been closed if not for Chris so our heartfelt THANK YOU for wonderful food, his always huge smile and great attitude!!!

P.S. - Update on Trap, he is healing well and we hope he will be back in December. Thank you for all of the kind thoughts and well wishes.

## Announcements

LaRue Maier past away on October 7th.

LaRue was a longtime member, pump shotgun maestro, machine and general repair guy, past President and friend to many. His building status reports to the board always started with “well it’s still here “ punctuated by a few mild swear words.

Let us all acknowledge his passing and honor his contributions to the Club.

**Thank You, LaRue**

New card for 2024:

## **A Whole New Approach to HHR&GC Membership Cards!**

In 2024 the Club is making significant improvements to the cards, how they are used to gain access to the clubhouse, and present member information on our shooting ranges. The new card system will be different in several ways.

First, we are changing to PERMANENT membership cards. This means members will be issued a card one time, and unlike in previous years, you will not receive a new card each subsequent year. You will continue to use the same card throughout your years of club membership. Those with valid Range Certification will receive an annual range certification sticker that you will apply to the permanent card and display when using the ranges.

Second, the new card system is a PROXIMITY style card. This means you only need to wave the card near the clubhouse card reader to activate the door lock mechanism. Many of you will be able to unlock the door without having to remove it from your purse or wallet.

Finally, although these new cards cost the Club more, we won't be re-issuing them each year so they will – in the long run – save the club money. However, since they cost more, replacements cards and additional cards will also be more expensive. The cost of a replacement or an adjunct/spouse card will be \$25.

We are excited about the new system, and we look forward to its deployment and use in January 2024.

**Looking for a volunteer.** Someone to take over running the monthly pistol shoots. I'd be willing to assist, but I'm ready to pass the torch. Safe Shootin' - Dave Shupe
