New Membership Card Information

If you have paid your dues, your new 2024 membership card is ready to be picked up at the club. Cards are typically ready the week after we receive a payment.

Please keep in mind a couple things about the new cards:

These are proximity style cards (non-contact cards). To use the cards simply hold them near the red light next to the front door. The light will turn green while the door is unlocked. (Please do not attempt to slide your card into the old reader which will be removed as soon as we can schedule the work).
