Spotlight

Thank you to Judy who does all the wonderful decorating around the Club. Her fall motif is beautiful. Make sure to thank her while shooting on the shotgun ranges she administers the process Thursdays and Sundays. A tireless worker whose handy work you see regularly but maybe didn't put a name to a face. THANK YOU **Judy**.

New Members

New members are too numerous to name individually but thanks to you all. You will each be receiving a 'Welcome Letter' with information on our Club functions.

Falling Plate

Saturday, October 11th

This will be a head to head falling plate match with any center fire pistol or PCC or 22 LR pistol or rifle; any sights. No magnums. You must have lead core bullets. Ten round magazine unless there is an unlimited class competition included. Start position is “low ready”. squad size of 6 shooters. Everyone will shoot against each competitor twice (entries) and one point will be given for the first one to clean their rack. Shooter with the most points wins the match.

- Entry fee is \$5 per gun.
- Setup at 9am, safety meeting follows directly,
- Shooting starts after safety meeting,
- Round count based on how many competitors there are.
 - ***Bring at least 80-100 rounds*** per match. Most shooters shoot two matches one for pistol and the other for rifle.
- **You must sign up before shooting begins as we will use a matrix to determine the head to head shooting order.**
- Payout based on entries collected.

Unlimited gun competition: Similar to falling plate but the shooters select any gun to compete. No limitation on magazine size, or gun selected to use per gun listed above. The competition uses a double elimination bracket, winners move on to compete for 1st and 2nd, losers enter a lower bracket and compete for 3rd. Shooter shoot one time per round.
